Career Objective

Highly motivated graduate skilled in C++, Python, Django, and SQL, looking for an entry-level opportunity to utilize my coding and problem-solving abilities in a fast-paced development environment. Focused on continuous learning and professional growth.

Skills

Languages: C++, Python, Sql

Frameworks: Django, ORM (Object-Relational Mapping)

Databases: MySQL, MongoDB

Tools & Techniques : Data Structures & Algorithms, OOP (Object-Oriented Programming), RESTful APIs, Git, Postman

Projects

Metro Ticket Booking System

Technologies Used: Django, Python, HTML, CSS, JavaScript, MySQL

- Designed and developed a web application to streamline the metro ticket booking process.
 - Implemented secure user registration, login functionality, and ticket management features.
 - Developed a user-friendly interface for booking, managing, and tracking metro tickets.
- Utilized Django framework for backend development and MySQL for database management.

Voting System Project

Technologies Used: Django, Python, HTML, CSS, SQLite

- Developed a web application using Django as the backend framework and HTML/CSS for the frontend.
- Enabled users to participate in polls by selecting choices for a series of questions.
- Integrated an SQLite database to manage and store poll questions, user responses, and voting results.
- Utilized Django framework for backend development and MySQL for database management.

Training & Workshops

Salesforce

Indore, India

Completed an intensive workshop covering Salesforce CRM, data management, and automation tools, enhancing skills in cloud-based customer relationship management.

Certifications

C++ Course Certification

Udemy

Completed an in-depth C++ course on Udemy, gaining Intermediate proficiency in C++ programming.

SQL Certification

HackerRank

Successfully completed a comprehensive SQL assessment on the HackerRank platform, earning a certificate that demonstrates proficiency in SQL skills.

Education

Acropolis Institute of Technology & Research

Master of Computer Application (MCA)

OCT 2022 – July 2024 Indore, India

Aug 2019 – June 2022 Indore, India

Achievements

- Distinguished accomplishment of achieving the Ranger Rank during **Salesforce** training, accumulating an impressive 50,000 points.
